MEDIA ALERT

LiveSafe Resources to Host Annual Cobb County Domestic Violence Vigil Honoring Victims of Domestic Violence

WHAT: The Cobb County Domestic Violence Vigil is dedicated to honoring the victims of domestic violence in Georgia who lost their lives in 2023. Hosted by LiveSafe Resources in collaboration with law enforcement, dedicated LSR board members, staff, volunteers, and the Cobb County community, this event aims to bring awareness and support to those affected by domestic violence. The event will include guest speakers sharing stories and insights, opportunities for community support and resources, vocal performances by Linked UP Church, and reading of names in memory of those lost.

WHO SHOULD ATTEND: Individuals and organizations passionate about supporting LiveSafe Resources' mission to provide safety and healing with dignity and respect to survivors of domestic violence and sexual assault, giving them a voice and hope for a better future. All members of the community are invited to attend and show support by sending a powerful message of solidarity and compassion. To learn more visit: livesaferesources.org.

WHERE: Glover Park, North Park Square, Marietta, GA 30060

WHEN: Wednesday, October 2, 2024. Starting at 6:00 PM, with the event running until 7:00 PM.

WHY: The Vigil will provide a space for reflection, solidarity, and time to acknowledge the impact of domestic violence and reaffirm our commitment as a community to support survivors and prevent future tragedies.
