

2025 - 2026 Corporate Partnership Opportunities

With more than 100 years' history serving women and their children the expert team at LiveSafe Resources works each day to mitigate the impact of domestic violence and sexual assault in our community. Our mission is focused on serving and supporting those impacted by abuse and assault, that they might recover and claim the lives of hope and independence they deserve. We are proud to serve not only women and their children, but victims of all genders, races and origins from metro Atlanta and beyond.

To serve this cause requires an army of experts in trauma-informed care, navigating the justice system, and more. Our advocates provide an array of services including temporary protective orders, counseling, emergency shelter, long-term transitional housing, and specialized support for elders, the disabled, and more. Our highly trained team is on call 24/7, 365 days a year.

LiveSafe Resources seeks to partner with corporate leaders who share our vision of a safe, caring community, free from abuse. Our Corporate Partners commit to supporting our mission and key fundraising events, increasing our planning capabilities and staff efficiency. This greatly enhances our ability to build awareness in the community and focus on serving the thousands of people in our community who face trauma and hardship from abuse.
